PHONE 310-698-0288 INFO@SLASALES.COM

A DIVISION OF DDU ENTERPRISES, INC.

This product was developed exclusively for Stereo lithography and is used at the 3D Systems training facility. Repair and bond SL & SLS parts with ease. See enclosed information sheet for more details.

**\*NEW!!! UVIFILL SL-ICG** is similar to our SL-TX adhesive designed for filling drain holes in the QuickCast style and filling larger cavities/defects in Solid-build styles. It is developed with lower antimony and less burn out and residual. ***It is the purest - investment cast grade!***

*This product was developed at the request of a major quick casting company.*

**UVIFILL SL-TX** is a light amber colored adhesive designed for filling drain holes in the QuickCast style and filling larger cavities/defects in Solid-build styles.

**UVIBOND SL- CLEAR HI** is a water clear fast UV adhesive designed exclusively for the new Water Clear type resins in the 11120 family. It is made from super pure base resins and has great adhesive qualities with high bond strength. Due to the pure base resins It can be used in Medical type applications too.

**UVIBOND SL-LO and SL-HI** are light amber colored Ultra-fast UV adhesives designed exclusively for QuickCast and Solid-build styles. They are excellent for fixing parts without rebuilding. They have a high bond strength and inherent toughness to resist breakage.

**UVIBOND SL-MED** is a light amber colored specifically designed per industry request to be intermediary in viscosity between SL-LO and SL-HI. **(2000 Centipoise viscosity)**

**\*Note:** Each single pack is a kit that is a bagged 5cc syringe and a new proper sized application needle

DESCRIPTION	Kit Qty 3	Box Qty 12	Case Qty 48
<b>SL-ICG</b> Thixotropic Low		<b>MINIMUM (1) CASE</b>	<b>\$ 998.00</b>
<b>SL-TX</b> Thixotropic	<b>\$ 80.00</b>	<b>\$ 245.00</b>	<b>\$ 945.00</b>
<b>SL-CLEAR HI</b> High Viscosity	<b>\$ 95.00</b>	<b>\$ 255.00</b>	<b>\$ 980.00</b>
<b>SL-LO</b> Low viscosity	<b>\$ 75.00</b>	<b>\$ 225.00</b>	<b>\$ 810.00</b>
<b>SL-HI</b> High viscosity	<b>\$ 75.00</b>	<b>\$ 225.00</b>	<b>\$ 810.00</b>
<b>SL-MED</b> 2000 centipoise		<b>MINIMUM (3) CASES</b>	<b>\$2,430.00</b>
